G25

Traditional Portable POS Terminal

G25 is a NEXGO new generation traditional portable POS terminal. Its amazing exterior design, tough casing and a variety of functions could meet various business demands and provide perfect mobile payment solution.

Performance

ARM CORTEX A7 1.2GHz

Communication

4G/3G/2G/Wi-Fi

Camera

0.3M Rear Camera

Support extensive payment methods

All payment methods like magnetic stripe cards, IC cards, contactless card, E-wallet, 1D & 2D barcodes could be supported on this terminal.

Contactless/NFC

Magstripe Cards

IC Cards

1D&2D Codes

Amazing exterior design and tough casing

Its friendly structural design makes this terminal comfortable to hold and it could pass 1.2m drop down test.

The NEXGO logo is displayed in white on a dark background at the top of the device. It consists of the word "NEXGO" in a bold, sans-serif font, followed by a stylized blue and white icon of a person or a signal.

G25

Big screen

2.8 inches screen could provide friendlier experience, and its optional adjustable backlight resistive touchscreen makes e-signature available.

The NEXGO logo is located in the bottom right corner of the image. It features the word "NEXGO" in a blue, sans-serif font, preceded by a stylized blue and white icon of a person or a signal.

0.3MP Rear Camera

Optional 0.3MP rear camera could read 1D&2D code data, and it brings convenient on payment and reading commodity data.

1D & 2D

Biometrics Compatibility

Optional fingerprint sensor supports fingerprint recognition and is certificated by FBI.

Fast Printing

The high speed thermal printer of G25 could support 58mm width and 40mm diameter paper roll.

Multi Connection Methods

G25 support 4G/3G/2G and Wi-Fi communication, which could get you always connected.
