Power, Speed, and Reliability, redefined !

P300

Non-Financial Smart POS

The NEXGO P300, an advanced Non-Financial Smart POS Terminal, delivers a highly efficient and intelligent experience for you. Powered by the Android 14 OS and a robust 4000mAh battery, it effortlessly handles all-day operations. The large 6.5-inch screen and ultra-fast 100mm/s printer ensure more efficient restaurant operations. Plus, with complete GMS certification, you get a trusted and seamless Android experience.
