

EF20

Smart Payment Tablet

The NEXGO EF20 is a smart payment tablet with a stylish and lightweight design, only 12.3mm thick, providing high-quality small and medium-sized merchants with an integrated intelligent product combining payment and services. It runs on Android 13 and boasts a powerful 8000mAh battery, easily handling all-day operation. Its stylish and lightweight design, with a thickness of only 12.3mm, helps merchants provide more convenient, personalized, and customer-centric point-of-sale (POS) services.
